The Anti-Politics Machine (1990) examines how international development projects are conceived, researched, and put into practice. It also looks at what these projects actually achieve. Ferguson criticizes the idea of externally-directed "development" and argues that the process doesn't take proper account of the daily realities of the ...

Download Anti Politics Machine Development

The Anti-Politics Machine is an acutely critical, highly imaginative excursion into the world of "development." It succeeds splendidly in unmasking the ideological scaffolding of that world, in revealing its unspoken axioms and taken-for-granted forms.

The Anti-Politics Machine " University of Minnesota Press

The Anti-Politics Machine is truly a critique and rejection of "development." Fantasy and Failure Ferguson explains that the development discourse's fantasy of the less-developed country (LDC) arises because of a backward logic maintained in development agencies.
