british standard specification for pdf

British Standards (BS) are the standards produced by the BSI Group which is incorporated under a Royal Charter (and which is formally designated as the National Standards Body (NSB) for the UK). The BSI Group produces British Standards under the authority of the Charter, which lays down as one of the BSI's objectives to: (2) Set up standards of quality for goods and services, and prepare and ...

British Standards - Wikipedia

A specification often refers to a set of documented requirements to be satisfied by a material, design, product, or service. A specification is often a type of technical standard.. There are different types of technical or engineering specifications (specs), and the term is used differently in different technical contexts.
