[The] American business community was also very impressed with the propaganda effort. They had a problem at that time. The country was becoming formally more democratic.

Propaganda by Edward Bernays (1928)

The United States Constitution is the supreme law of the United States. The Constitution, originally comprising seven articles, delineates the national frame of government. Its first three articles embody the doctrine of the separation of powers, whereby the federal government is divided into three branches: the legislative, consisting of the bicameral Congress; the executive, consisting of the ...
