The economies of Canada and the United States are similar because they are both developed countries and are each other's largest trading partners. However, key differences in population makeup, geography, government policies and productivity all result in different economies. While both countries are in the list of top ten economies in the world in 2018, the US is the largest economy in the ...

One day, on an absolute whim, I decided it was time to try my hand at freezer meals. I figured if I could learn to declutter the rest of my day, it was time to simplify supper time. It happened innocently enough: I was making chicken & dressing for dinner and realized I'd made way too much for us for one meal.
