The University for Development Studies, Tamale was established in 1992 as a multi-campus institution. It is the fifth public university to be established in Ghana. This deviates from the usual practice of having universities with central campuses and administrations. It was created with the three northern regions of North Ghana in mind.

Mammal classification has been through several iterations since Carl Linnaeus initially defined the class. No classification system is universally accepted; McKenna & Bell (1997) and Wilson & Reader (2005) provide useful recent compendiums. George Gaylord Simpson's "Principles of Classification and a Classification of Mammals" (AMNH Bulletin v. 85, 1945) provides systematics of mammal origins ...
