British colonization of the Americas (including colonization by both the English and the Scots) began in 1607 in Jamestown, Virginia, and reached its peak when colonies had been established throughout the Americas. The English, and later the British, were among the most important colonizers of the Americas, and their American empire came to surpass the Spanish American colonies in military and ...

British colonization of the Americas - Wikipedia

On 14 December 1960, the United Nations General Assembly adopted United Nations General Assembly Resolution 1514 (XV) subtitled "Declaration on the Granting of Independence to Colonial Countries and Peoples", which supported the granting of independence to colonial countries and people by providing an inevitable legal linkage between self-determination and its goal of decolonisation.
