Download PDF EPUB Community Based Archaeology Research

In Community-Based Archaeology, she outlines the principles of community-based participatory research and demonstrates how CBPR can be effectively applied to archaeology. Drawing on her own experiences with research projects in North America and the Near East, Atalay provides theoretical discussions along with practical examples of establishing and developing collaborative relationships and sharing results.

Community-Based Archaeology Research with, by, and for

"Community Based Participatory Research in archaeology finally comes of age with Atalay's long-anticipated volume. She promotes a collaborative approach to knowledge gathering, interpretation, and use that benefits descendant communities and archaeological practitioners, contributing to a more relevant, rewarding, and responsible archaeology.
