

competition for space and pdf

SpaceX announced the Hyperloop Pod Competition in 2015. The competition's goal is to support the development of functional prototypes and encourage innovation by challenging student teams to design and build the best high-speed Pod.

Hyperloop | SpaceX

Space launch market competition is the manifestation of market forces in the launch service provider business. In particular it is the trend of competitive dynamics among payload transport capabilities at diverse prices having a greater influence on launch purchasing than the traditional political considerations of country of manufacture or the national entity using, regulating or licensing ...

The Space Race refers to the 20th-century competition between two Cold War rivals, the Soviet Union (USSR) and the United States (US), for dominance in spaceflight capability. It had its origins in the missile-based nuclear arms race between the two nations that occurred following World War II, aided by captured German missile technology and personnel from the Aggregat program.

Space Race - Wikipedia

NASA selected Boeing as prime contractor for the International Space Station on Aug. 17, 1993, and the original cost-plus-award-fee contract began on Jan. 13, 1995.
