The United States Constitution is the supreme law of the United States. The Constitution, originally comprising seven articles, delineates the national frame of government. Its first three articles embody the doctrine of the separation of powers, whereby the federal government is divided into three branches: the legislative, consisting of the bicameral Congress (Article One); the executive ...

Our Constitution, laws, and values are the foundation of our strength and security. Yet, after the attacks of September 11, 2001, our government engaged in systematic policies of torture, targeted killing, indefinite detention, mass surveillance, and religious discrimination. It violated the law, eroded many of our most cherished values, and made us less free and less safe.

Into the early twentieth century, direct judicial review of administrative action was available only piecemeal
â€” through writs like mandamus, in common law tort actions against officials, and in suits between private
parties. 31— 31. Frederic P. Lee, The Origins of Judicial Control of Federal Executive Action, 36 Geo. L.J.
