

crystals healing human energy pdf

Crystal healing is a pseudoscientific alternative medicine technique that employs stones and crystals. Adherents of the technique claim that these have healing powers, although there is no scientific basis for this claim. In one method, the practitioner places crystals on different parts of the body, often corresponding to chakras; or else the practitioner places crystals around the body in an ...

More quantum spin bunk... Picking up on the "free energy" shtick, a "hyper-physicist" named Dan Nelson claims to have developed something called a "Geometric Laser" which, he says, generates a "time-reversed particle wave" which provides "the water with energy turned back to the water from vacuum space around the particles."
