Download The Human Biological Machine As A

Biological Machines National Review published an article stating artificially intelligent computers would merely be machines. The author of the article doesn't realize how biotech/syn-bio shows us DNA is a machine.

Biological Machines | transhumanity.net

Our bodies are a biological machine that needs to be maintained and nurtured if we are to expect the very best from it. Imagine your body to be like a car. You may think of yourself as a Grand Prix Racing car, a Rolls Royce, a sports car or perhaps a timeless classic.

Your Body is a Biological Machine | Pick the Brain

Biological and Machine Intelligence: Introduction The 21 st century is a watershed in human evolution. We are solving the mystery of how the brain works and
