Then Europeans conquered the Indian nations and began to educate Indian youth in a "civilized" manner. The end of the Civil War created a scenario for the U. S. Government to focus enough resources to conquer the West, in general, and the Indians, in particular.

### **An Issue of Culture in Educating American Indian Youth**

The youth wants the country to be happy and prosperous, the fight against terrorism is still in the beginning stage but soon it will overpower everything else. An Indian is sick of being the victim all the time, the youth is now here to prove that the any individual can become aggressive if poked for too long.
