A Letter from co-Author Corky Binggeli Interior Design Illustrated 3rd Edition When I was asked to work with Francis D.K. Ching on the second edition of Interior Design Illustrated, I was a bit intimidated, as I had used his books in my own architectural and interior design education and admired his beautiful illustrations. Now that we have again collaborated on the third edition, I am ...

Visual merchandising is the practice in the retail industry of developing floor plans and three-dimensional displays in order to maximize sales.. Both goods and services can be displayed to highlight their features and benefits. The purpose of such visual merchandising is to attract, engage, and motivate the customer towards making a purchase.

Communication design is a mixed discipline between design and information-development which is concerned with how media intervention such as printed, crafted, electronic media or presentations communicate with people. A communication design approach is not only concerned with developing the message aside from the aesthetics in media, but also with creating new media channels to ensure the ...
