started to feel as if there were two of me—two opposite parts of me, making me frustrated and depressed. I developed an insatiable appetite for sex, and desire pushed out the guilt at first. I became obsessed with my own body. The sad thing is that lust consumed all my thoughts and energy, and I felt powerless to do anything about it.

I bought this song after seeing the movie Les Mis in theatres. On My Own was my favorite song, and I planned to use it to accompany a friend of mine, a ballet dancer. It did not disappoint! If you love On My Own or Les Miserables, you will love this version. It is amazing and sounds remarkably similar to the movie soundtrack!

I would guess it depends on what's in your PostScript template. A PostScript file is a computer program, and page breaks are determined by the logic in the PostScript. If the two-page format is substantially the same as the one-page format, you could have your Perl script split the data up, then create two single-page files concatenated together.
