A style guide (or manual of style) is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization, or field. (It is often called a style sheet, though that term has other meanings.) A style guide establishes and enforces style to improve communication. To do that, it ensures consistency within a document and across multiple ...

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date you're citing.

What is Parallelism? Parallelism is the successive use of identical grammatical patterns of words, phrases, or sentences. Sound boring? Wait -- don't give up yet! Parallelism may involve repetition of some words, but more generally involves repetition of parts of speech (e.g. nouns, verbs, adjectives). It is sometimes referred to as parallel structure or parallel construction.
