Definitions. In a perfect market (one that matches a simple microeconomic model), an excess of demand will prompt sellers to increase prices until demand at that price matches the available supply, establishing market equilibrium [citation needed]. In economic terminology, a shortage occurs when for some reason (such as government intervention, or decisions by sellers not to raise prices) the ...

Georgism, also called geoism and single tax (archaic), is an economic philosophy holding that, while people should own the value they produce themselves, economic value derived from land (often including natural resources and natural opportunities) should belong equally to all members of society. Developed from the writings of the economist and social reformer Henry George, the Georgist ...

Although each stream looks alike outwardly, they are vastly different. The one on the left is known in our literature as the Sons of Cain. They are full of positive energy and are the craftsmen of the world, the three-messen, who carve their way through life, rather enjoying the obstacles which they know strengthen the character; they

Dubai is a global city and business hub of the Middle East. It is also a major global transport hub for passengers and cargo. Oil revenue helped accelerate the development of the city, which was already a major mercantile hub, but Dubai's oil reserves are limited and production levels are low: today, less than 5% of the emirate's revenue comes from oil.

As a follow-up to Tuesday's post about the majority-minority public schools in Oslo, the following brief account reports the latest statistics on the cultural enrichment of schools in Austria. Vienna is the most fully enriched location, and seems to be in roughly the same situation as Oslo. Many thanks to Hermes for the translation from Unzensuriert.at:

We are now more than halfway through Advent, and next Monday the Church will begin to sing the famous O antiphons each day at Vespers. These are one of the most loved features of the Church's liturgy, and for good reason; the texts are especially rich in references to the Old Testament prophecies of the Divine Redeemer and His coming for the salvation of the human race, and the Gregorian ...
