Due to a lack of surviving accounts, little is known about Plato's early life and education. Plato belonged to an aristocratic and influential family. According to a disputed tradition, reported by doxographer Diogenes Laërtius, Plato's father Ariston traced his descent from the king of Athens, Codrus, and the king of Messenia, Melanthus.

Introduction PLATO's Divided Line, his Cave Allegory and the Sun analogy, occur together in the central section of the Republic and arguably express the core message of this most important of philosophical works. Of the Divided Line, Smith (1996, p. 25) wrote: "Scholars seem generally to agree that what Plato is doing here is extremely important; but they cannot seem to agree about exactly ...

Consequentialism, as its name suggests, is the view that normative properties depend only on consequences. This general approach can be applied at different levels to different normative properties of different kinds of things, but the most prominent example is consequentialism about the moral rightness of acts, which holds that whether an act is morally right depends only on the consequences ...

1. Preliminaries. Aristotle wrote two ethical treatises: the Nicomachean Ethics and the Eudemian Ethics. He does not himself use either of these titles, although in the Politics (1295a36) he refers back to one of them—probably the Eudemian Ethics—as *ta êthika*—his writings about character. The words *Eudemian* and *Nicomachean* were added later, perhaps because the former was ...
