Pool Safely is a national public education campaign that works with partners around the country to reduce child drownings and entrapments in swimming pools and spas.

Pool Safely

A swimming pool, swimming bath, wading pool, or paddling pool is a structure designed to hold water to enable swimming or other leisure activities. Pools can be built into the ground (in-ground pools) or built above ground (as a freestanding construction or as part of a building or other larger structure), and are also a common feature aboard ocean-liners and cruise ships.
