The way an imprinter works: The merchant attaches a small metal plate to the bottom of the imprinter. The small metal plate has embossed (raised lettering) that contains the merchant's account information. The customer's credit card is placed at the bottom of the imprinter, next to the merchant's plate.

Go to the vet: Take your puppy to the vet a few times just for a visit. Ask if you can take the puppy into the surgery for a few moments, and ask the vet to feed him a couple of treats. This will make your life much easier later on. Handle the puppy: Go through a grooming routine with your puppy every day. Examine his ears, teeth and feet.

After the first 2 weeks of letting your puppy say no you will find out that your puppy will stop, you will comfort it, and then (most) puppies will be ready to â€”give it a tryâ€™. This is a critical stage. Make sure that the things your puppy investigates will not frighten him. If your puppy learns to trust you now, it will trust you forever.
