

the rape of eve pdf

Rape is defined in most jurisdictions as sexual intercourse, or other forms of sexual penetration, committed by a perpetrator against a victim without their consent. The definition of rape is inconsistent between governmental health organizations, law enforcement, health providers, and legal professions. It has varied historically and culturally.

Rape - Wikipedia

Statistics on rape and other sexual assaults are commonly available in industrialized countries, and are becoming more common throughout the world. Inconsistent definitions of rape, different rates of reporting, recording, prosecution and conviction for rape create controversial statistical disparities, and lead to accusations that many rape statistics are unreliable or misleading.
