Technical advances. The Gilded Age was a period of economic growth as the United States jumped to the lead in industrialization ahead of Britain. The nation was rapidly expanding its economy into new areas, especially heavy industry like factories, railroads, and coal mining. In 1869, the First Transcontinental Railroad opened up the far-west mining and ranching regions.

The American Tobacco Company. The anti-smoking conspiracy began over a century ago. Skull & Bones members ring-led the creation of the American Tobacco Trust, to gather all the companies under anti-smoker control. But they knew that they couldn't just take over the tobacco companies and shut them down, because others would simply enter the field.
