In English law, secret trusts are a class of trust defined as an arrangement between a testator and a trustee, made to come into force after death, that aims to benefit a person without having been written in a formal will. The property is given to the trustee in the will, and he would then be expected to pass it on to the real beneficiary. For these to be valid, the person seeking to enforce ...

But if I take the time to follow in the footsteps of Jesus, it may make more sense. If I take the time to open up the divine Law, the Ten Commandments, and show the sinner precisely what he's done wrong that he has offended God by violating His Law then when he becomes, as James says, "convinced of the law as a transgressor" (James 2:9), then the good news of the fine being paid for ...
