

the self and nature pdf

Samayasara or Nature of Self is a classic Jain discussion about the nature of the self and its relation to karma and moksha, meaning ultimate liberation or enlightenment. It was originally written more than 2.000 years ago, but this version has an introduction with comparisons between views and ideas about self in Christian, ancient Greek and newer European philosophical traditions.

Samayasara or Nature of Self - download the free PDF here

• A Nature of Self The self is a key construct in several schools of psychology, referring to either the cognitive and affective representation of one's identity or the subject of experience.
