A comprehensive radio campaign had no detectable effect on child mortality. Substantial decreases in child mortality were observed in both groups over the intervention period, reducing our ability to detect an effect. This, nevertheless, represents the first randomised controlled trial to show that mass media alone can change health-seeking behaviours.

Effect of a mass radio campaign on family behaviours and

Welcome to the prepper world! Today we face the most possibilities of SHTF than ever before: WWII, EMP, power grid down, civil unrest, and economic collapse are all very likely to happen. So, congratulations on making the right decision to start prepping for the sake of your family's well-being and survival.
