which spearheaded the nationalist anti-colonial movement of the 20th century. China, humiliated in the Opium Wars of the mid-19th century, was never colonized but lost substantial economic and political sovereignty as European nations, the U.S., and Japan

### **What is revolution - Columbia University**

A proletarian revolution is a social revolution in which the working class attempts to overthrow the bourgeoisie. Proletarian revolutions are generally advocated by socialists, communists and most anarchists. Marxists believe proletarian revolutions can and will likely happen in all capitalist countries, related to the concept of world revolution. The Leninist branch of Marxism argues that a ...
