Boeing's Directed Energy expertise extends from the High Energy Laser Mobile Demonstrator, a large truck that can track and destroy mortar rounds, to the Maritime Solid State Laser System, which resides on a ship and can hit incoming weapons.

Boeing: Directed Energy

Richard P. Feynman Nobel Lecture Nobel Lecture, December 11, 1965. The Development of the Space-Time View of Quantum Electrodynamics. We have a habit in writing articles published in scientific journals to make the work as finished as possible, to cover all the tracks, to not worry about the blind alleys or to describe how you had the wrong idea first, and so on.

Richard P. Feynman - Nobel Lecture: The Development of the

Matter. Energy. Space. Time. The MEST Narrative miniatures rules system is designed to be a flexible light-weight set of features that can work with numerous genres such as Swords & Sandals, Medieval, Swashbuckler, Wild West, Horror, Victorian Adventure, Pulp Heroes, Modern Battles, Future War, Sci-Fi, or Superheroes.

MEST - Adventures in Matter, Energy, Space and Time

Vacuum energy is an underlying background energy that exists in space throughout the entire Universe. This behavior is codified in Heisenberg's energy-time uncertainty principle. Still, the exact effect of such fleeting bits of energy is difficult to quantify. The vacuum energy is a special case of zero-point energy that relates to the quantum vacuum.

Vacuum energy - Wikipedia

Space-based solar power (SBSP) is the concept of collecting solar power in outer space and distributing it to Earth. Potential advantages of collecting solar energy in space include a higher collection rate and a longer collection period due to the lack of a diffusing atmosphere, and the possibility of placing a solar collector in an orbiting location where there is no night.

Welcome to ZPEnergy - The Energy of The Future This is a NEWS PORTAL dedicated to experimental research on REVOLUTIONARY ENERGY TECHNOLOGIES. We propose to you to use this site as THE concentrator of choice for valuable news on the fascinating but still controversial subject of over-unity (O/U) fuel-less energetics (devices tapping the Zero Point Energy (ZPE)/ Vacuum/ Cosmic/ Ambient energy ...

A Field Guide to Renewable Energy Technologies

Flibe Energy’s Value Proposition Energy independence IS possible and affordable. The fuel is thorium, an abundant natural resource. The machine is the liquid-fluoride thorium reactor (LFTR), a demonstrated technology that has been forgotten. It is safe, mechanically simple, compact, and can be deployed virtually anywhere. In preparing to build LFTRs we will recover valuable ...

Introduction to Flibe Energy - Thorium Energy Alliance

The same codes needed to thwart errors in quantum computers may also give the fabric of space-time its intrinsic robustness.

How Space and Time Could Be a Quantum Error-Correcting

The amount of energy infusing empty space seems too small to explain without a multiverse. But physicists have at least one alternative left to explore. The controversial idea that our universe is just a random bubble in an endless, frothing multiverse arises logically from nature’s most innocuous ...

Why the Dark Energy Problem Spawned the Multiverse
