the west african village pdf

The West Village historically was known as an important landmark on the map of American bohemian culture in the early and mid-twentieth century. The neighborhood was known for its colorful, artistic residents and the alternative culture they propagated.

West Village - Wikipedia

Vodun cosmology centers around the vodun spirits and other elements of divine essence that govern the Earth, a hierarchy that range in power from major deities governing the forces of nature and human society to the spirits of individual streams, trees, and rocks, as well as dozens of ethnic vodun, defenders of a certain clan, tribe, or nation. The vodun are the center of religious life.
