For all his fame and celebration, William Shakespeare remains a mysterious figure with regards to personal history. There are just two primary sources for information on the Bard: his works, and various legal and church documents that have survived from Elizabethan times. Naturally, there are many gaps in this body of information, which tells us little about Shakespeare the man.

Albert Einstein passionately wooed his first wife Mileva Maric, against his family's wishes, and the two had a turbulent but intellectually rich relationship that they recorded for posterity in their letters. Einstein and Maric's love letters have inspired the short film above, My Little Witch (in Serbian, I believe, with English subtitles) and several critical re-evaluations of Einstein ...
