The seven dirty words are seven English-language words that American comedian George Carlin first listed in 1972 in his monologue "Seven Words You Can Never Say on Television". The words are: shit, piss, fuck, cunt, cocksucker, motherfucker, and tits. At the time, the words were considered highly inappropriate and unsuitable for broadcast on the public airwaves in the United States, whether ...

Morphology is the study of word formation and structure. In synthetic languages, a single word stem (for example, love) may have a number of different forms (for example, loves, loving, and loved). However, for some purposes these are not usually considered to be different words, but rather different forms of the same word.
