Shallow Graves: New Bedford Highway Serial Killer. ... The women were dead before anyone realized they were gone. It was 1988, before the opiate epidemic of the 2000s, before families openly talked about heroin addicts, before there was a public face to the addiction.

Shallow Graves: The Hunt for the New Bedford Highway

A mass grave is a grave containing multiple human corpses, which may or may not be identified prior to burial. The United Nations has defined a criminal mass grave as a burial site containing three or more victims of execution. Mass graves are usually created after a large number of people die or are killed, and there is a desire to bury the corpses quickly for sanitation concerns.

This paper is made available with the permission of the World Future Society, Bethesda, MD . Readers should know that Dr. Graves was not entirely satisfied with this piece as it appeared in The Futurist, though it is by far the most popular of his articles and quite readable as an introduction to the theory.

The Donner Party, or Donnerâ€™Reed Party, was a group of American pioneers that set out for California in a wagon train in May 1846. Departing from Independence, Missouri, they were delayed by a series of mishaps and mistakes, and spent the winter of 1846â€™47 snowbound in the Sierra Nevada. Some of the pioneers resorted to cannibalism to survive.. The journey west usually took between four and ...
