Understanding Kids Who Are Different: Activities for Teaching About Disabilities April is Special-Education Month. In the classroom, of course, every month is special-education month -- and every day is a day when special students need to be recognized, appreciated, and understood.

Understanding Kids Who Are Different: Activities for

Having experienced the negative effects of students subjected to too much "daily math" firsthand, I am

skeptical of the benefits. But for parents who simply want to expose their children to a variety of math problems, I think that this collection (of 25 sets of 8 problems each) is a good choice.
