I downloaded Through the Fire as a free ebook from Amazon. Geez, this story was so depressing and had few high, positive points. While well written, with a unique plot, there was no happiness for any of the characters and Clay and Evie's relationship seemed doomed and nonredeemable. Cliffhanger ending with no resolution. Color me depressed.

It's through the fire my weakness is made strong. He never promised that the loss would not get heavy and the fall would not be hard to climb. He never offered a victory without fighting. He said help would always come in time.
