uneasy alliance that exists between government and media in this country. Each needs the other and each uses the other, but conflict is inevitable, and that tension creates the framework for more myths about the media and politics. Who can we believe? Are the media acting as a mirror that truthfully

Negative Stereotyping of Female Politicians in the Media. Women such as the German Chancellor Angela Merkel (who topped the Forbes list as the world's most powerful woman) and former US Secretary of State Hilary Clinton have blazed a trail for women in politics. Although there has been amazing progress in the area of women's rights and liberation,...

### **Negative Stereotyping of Female Politicians in the Media**

This uneasy alliance of a wide variety of women, using different tactics, finally over-came determined opposition, and in 1920 the federal amendment passed, extending the vote to women throughout the nation. White women leaders entered the new decade with optimism about their newly enlarged public responsibilities.
